THE FOUNDATION FAITH OF GOD

Outreach '80

October

And this is the Father's will which hath sent me, that of all which he hath given me I should lose nothing, but should raise it up again at the last day.

And this is the will of him that sent me, that every one which seeth the Son, and believeth on him, may have everlasting life: and I will raise him up at the last day.

John 6:39/40

Buffalo/Niagara Falls Revival

The Power of GOD's Holy Spirit has been moving in New York State's second largest metropolitan area. Rev. Estelle Lehnen, Director of *The Ministry of Miracles*, channelled the Presence of The Lord and His Angels on Buffalo/Niagara Falls radio and television. Call-in radio shows featuring Rev. Lehnen are so popular that hosts have to schedule follow-up broadcasts by popular request.

Her Ministry and her testimony have inspired tens of thousands. Having suffered from childhood polio, Rev. Estelle speaks with great authority about how The Lord fills every need, provides infinite *courage* and *grace*, and turns defeat into *victory*.

Her seminars and workshops about partnership with GOD's Holy Angels provide instruction and insight into establishing a working relationship with *The Lord's Ministering Spirits*.

Rev. Lehnen can be heard frequently on broadcasts across Ontario. For information on upcoming classes and radio or public appearances, please contact *The Ministry of Miracles*, c/o The Canadian Headquarters.

Toy Bank sets Big Goals

"A chronically or terminally ill child," said *Crusade of Innocence* Director Rev. Lucia Smith, *"is not only an emotional trauma for parents and family. The expenses involved in the prolonged hospitalization of a child, the specialists, therapists and treatments can literally bankrupt even a wealthy family.*

"Unfortunately, this can mean no toys for the little ones who are sick. And of course toys are even more important to a child who is shut in or bedridden."

In order to fill the need, *The Crusade of Innocence* has initiated a *"Toy Bank"* to provide toys to needy children, to sick kids whose families are stretched to their financial limits, and to the pediatric wards of area hospitals.

This ambitious undertaking needs all your loving support. Please send your gifts of toys, or financial gifts earmarked for *"The Toy Bank"* to Rev. Lucia Smith, *The Crusade of Innocence*, 3716 Bowser Street, Dallas, Texas 75219.

Northeastern Foundation Plans Five-City Outreach

With active radio, television, public appearances and seminar ministries in Washington, Baltimore, Philadelphia and New York City, *The Ministry of the Angels of Christ* is laying plans for an expanded outreach program to include Boston and southern New England, as well as a country *Retreat Center* in the vicinity of Philadelphia. The team, headed by Rev. Magdalen St. Claire and Rev. Enoch Garrett, will visit each city on a regular rotation basis to conduct classes and personal counseling. *The Retreat Center* will be run under the leadership of Senior Northeastern Director, Rev. Faith Maloney and her staff.

This exciting vision given by The Lord will, with His continuing help and guidance, be fully operational by November 1980.

For more information about the exciting changes and developments at The Northeastern Foundation, write to the address given in this Newsletter.

FOUNDATION PERSPECTIVE

"For as many of you as have been baptized into Christ have put on Christ."

Galatians 3:27

A famous poet and playwright once said something to the effect that - Christianity is a great thing, it's just never been tried! While certain saintly individuals and movements have exemplified the Christian life, there is certainly truth in that gentleman's words with regard to the principles and ideals that shape world events.

This month we asked three Foundation Ministers what it means to them to **"Live Christ".**

•

Sister Gabrielle Lawrence: *"I searched for a real relationship with GOD literally around the world. I scoured eastern religions and travelled to India in search of the truth. I studied meditation and psychic phenomena. I embarked on a career of psychological counseling after receiving a Master's degree in that field from Columbia University.* **I** *did and achieved so many things and still* **I** *was unfulfilled.*

"Finally The Lord drew me to Christ through The Foundation Faith of GOD. Jesus showed me that the **I** *that had achieved so much, the* **I** *that remained unfulfilled, the* **myself** *that was yet unhappy, was the very block to the relationship to GOD that I sought.*

"Accepting Christ made it possible to let go of the "self" that never was, and never could be, satisfied. 'Living Christ' for me, means submitting my will to GOD's Will through the Mediator of Jesus Christ."

Sister Gabrielle Lawrence is the Media and Promotional Coordinator of *The Healing Ministry of The Conquering King.* She is blessed with many talents, studied at *Juilliard School of Music,* and is currently completing her Doctoral thesis in Psychology at *Columbia University.* The subject of her thesis is *"The Efficacy of Prayer in Healing".*

•

Reverend Gregory Castle: *"To 'Live Christ' is to live ever more free of the effects of the devil. In Christ we are invulnerable to the voices of fear, doubt, guilt and shame that plague the human mind, and which have made psychoanalysis a billion-dollar business.*

"In Jesus Christ we are assured of our most basic need: to know without question that we are GOD's Children, Loved by Him; safe and good within His care."

Reverend Gregory Castle is Director of *Spiritual Life Crusade,* a graduate of *Cambridge University* in England, and Director of overall Foundation administrative offices.

Reverend Maia Astor-Drayton: *"The Lord Jesus Christ, more than anything else, gives me a sense of possibility.*

" 'Living Christ' means living with the knowledge that anything and everything is possible. The devil and his servants tell us in one way or another how difficult and impossible every dream or aspiration is. Jesus Christ tells us that with GOD, ALL things are possible. His power defies all physical law and logic, because His creative power **is** *the Law of GOD. Living with and in Christ is living in a world of miracles."*

Reverend Maia Astor-Drayton is Director of the Las Vegas-based *Christian Mental Health Healing Ministry.* She has been a channel for many miraculous healings.

•

Let not your heart be troubled: ye believe in God, believe also in me.

In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.

And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.

John 14:1/3.

DENVER

New Covenant Crusade: Focus on a Christ-Centered Life

Ever since their arrival in Denver early this year, Rev. Cyrus Daniel, Rev. Anne Daniel and Rev. Anthony Gleeson have preached the Message of Jesus Christ as a *total way of life.* The Foundation Center on St. Paul Street has become a popular center for those in sincere pursuit of **The Lord** and **His Truth.**

Coloradans packed out The Foundation building to overflowing on September 14 for the grand opening party of the Coffee House. It was an exciting occasion that marked the beginning of a new series of classes and activities, as follows:

Wednesdays: *"The Focus"* is a group discussion and participatory workshop centered on Christ's commandment that we *"Love one another as I have loved you."*

Fridays: *"The Friday Night Circle"* is a workshop in spiritual gifts.

Mondays through **Saturdays:** *"The Celebration of Creation"* is a short service of prayer, song and meditation - thanking The Lord for each day of creation.

All of the above activities take place in the evenings. For the precise time of each, please contact Rev. Anthony Gleeson at (303) 388-1501.

HEALING

"And God shall wipe away all tears from their eyes; and there shall be no more death."

Revelation 21:4

NEW YORK

Maria had for years sought help with symptoms of headache, exhaustion, dizziness, and eye trouble which plagued her. Doctors recently diagnosed her condition as being the result of a *brain tumor*, and planned an operation for its removal.

At the last moment, the medical staff decided that the planned operation was too dangerous to perform, and cancelled it.

In the meantime, GOD's *prayer forces* had been called into action when Maria's concerned family asked Rev. Sharon St. Joan's *Healing Ministry* to pray for healing. **Praise GOD** that shortly after the cancellation of the operation, *Maria's symptoms vanished!* We pray and believe that further examinations and tests will reveal that Maria has received **a complete miracle.**

LEAVENWORTH, KANSAS

William "Gypsy" Simonton, the Gypsy whose *"Poem from Prison"* appeared in a previous issue of OUTREACH '80 NEWSLETTER, was recently transferred to *Leavenworth Federal Penitentiary* from the *Atlanta Federal Facility*.

Gypsy was Baptized into Christ by The Foundation's Rev. John Christopher at *Atlanta Federal Penitentiary*, where he attended Rev. Christopher's *"Path of Life"* course, and where he was welcomed into The Foundation as a Disciple.

Shortly after arriving at Leavenworth, Gypsy injured his right leg while roller skating during a recreational period. Ligaments, cartilage and blood vessels were seriously damaged, and doctors said that surgery would be required to restore use of the leg. Over the following two days Gypsy and fellow inmates prayed for GOD *to deliver a healing* and, of course, He did!

Physical healing, however, is not the only healing that Gypsy has received. Since his first encounter with Rev. Christopher and his associate Rev. Charity Benedicte, Gypsy has become a missionary for The Lord in his own right - spreading the *Good News of Jesus Christ* inside the prison walls, and starting up a prayer group at Leavenworth. *GOD bless you, Gypsy, our prayers are with you.*

Thanks

Our special thanks this month to the following people who have lent their talents, help and support to the various Ministries of The Foundation Faith of GOD.

To Serena Tennison for her months of tireless work in support of *Divine Grace Ministries* and *The Healing Ministry of The Conquering King*.

To the doctors and nurses at *The Children's Hospital* in Denver who lend their vocal, as well as moral support to Revs. Cyrus and Anne Daniel's regular program of music, entertainment and general fun for the kids in their care.

To Chaplain Mitchell Winton of *Columbia House*, women's half-way facility in Atlanta, for his excellent work and for the wonderful spirit which The Lord has given him.

To WGSO and to WWIW Radio in New Orleans for their help in spreading the word of *The House of the Dove* crisis shelter.

To WKYW-TV3 in Philadelphia for welcoming *The Angel Ministry* to the very popular "A.M./P.M." talk show, and likewise to WRC-TV4 in Washington and the staff of *"First Light"*.

To KLIF, KPLX and KOAX in Dallas for opening up their airwaves to *The Crusade of Innocence*.

To Channel 7 TV in Buffalo and all of the outlets in the Buffalo/Niagara Falls area that brought *The Ministry of Miracles* to the attention of hundreds of thousands of viewers from Pennsylvania to southern Ontario.

And of course our thanks to all of you whose *help and support* make it possible for this Ministry to carry out the work of **The Lord Jesus Christ.**

BECOME A PATRON MEMBER OF A FOUNDATION MINISTRY

Many people want to become more involved in the soul winning work of The Foundation Faith of GOD, but because of family, business or other commitments, are unable to take part directly in Outreach Ministry projects. However, by becoming a Patron of a Foundation Ministry, everyone can devote some of their energy, money or resources to benefit a specific Outreach project, such as work with terminally ill children, prison ministries, women in crisis or any of the other projects described in Foundation Newsletters.

AROUND THE FOUNDATION

CHICAGO

Long a center of Foundation supporters, Chicago was visited last month by Revs. Faith Maloney, Raphael de Peyer, and Jana Bernadette.

The trio held a *"Gifts of Healing Workshop"* and were involved in numerous counselling and teaching situations. Best of all, though, many dear friends in The Lord were visited and time was spent recounting the *blessing* and *miracles* that all had experienced since they were last together.

One story that Rev. de Peyer relayed is that Chicago Disciple Pauline Schuler, a sociologist, has been running *"Focus"* at the *Cook County Jail* for three and a half years. *"Focus"* is a Foundation workshop that teaches GOD-centered awareness and communication.

Pauline is a blessing to The Foundation and to all those to whom she channels the Love of The Lord. *May GOD continue to bless you.*

ATLANTA

From the Prison Ministry: Rev. John Christopher and Rev. Charity Benedicte report an overwhelmingly enthusiastic response from the women at *Columbia House*, a women's half-way correctional facility, to a regular Friday morning prayer, praise and testimonial meeting led by the Foundation Ministers.

Also, Rev. Christopher was pleased and privileged to conduct the Sunday Church Service for the inmates of the *Atlanta Federal Penitentiary* last month. A graduate of *Oxford University* in England, Rev. Christopher is a gifted evangelist.

"Then shall the righteous shine forth as the sun in the kingdom of their father."
